B1/102 Anand Sagar Duos, Kalyan.

To,

I am submitting my resume for consideration of internship program for minimum 20-25 weeks. Given the skills and experience outlined in my enclosed resume, I believe I will be a worthy asset to your team.

I have completed 5 semesters of Diploma in Computer Engineering from Government Polytechnic, Mumbai. I have developed an application as my major project in the final year titled as "Majha Shetkari", detailed in the following resume.

I believe I would make an excellent addition to your team. This internship would help me grow my real-world experience in the technology industry and help me further develop and refine my application design skills.

Please Note: My college would require a certificate for validation of internship completed from your company.

Sincerely,

Varun Shukla.
